Introduction

It’s all about you!

Whether you have an educational supplies catalogue or you are an independent retailer, you will be keen to pass on the best educational toys and teaching resources to your customers.

At Educational Advantage we have been creating innovative products for schools and nurseries for 7 years. We also draw upon 30 years of design and manufacturing expertise from our sister company Polydron. You may have ideas and suggestions about what products your customers need. The team at Educational Advantage are eager to help with sourcing all of your requirements. Please let us know if we can help.

This year we have more new and exciting products than ever so we hope that you enjoy the 2014 Educational Advantage catalogue.

A big thank you to all of our customers around the World for your support and ideas!

Lots of NEW products inside, including:

- Giant Fishing
- Netting Crabs
- Posting Games
- Kangaroos

If you would like any further information on this fantastic range of products, please contact our Sales Manager, Darren Bell. To arrange a visit or speak to Darren, please call +44 (0) 7803 627179 or email darren.bell@educationaladvantage.co.uk

Rachel Dunton looks after our sales order processing and can be contacted on +44 (0) 1285 862800 or email rachel.dunton@educationaladvantage.co.uk

For 2014 we have made our catalogue interactive. You can use your smartphone or tablet to view additional content such as product videos.

Simply download the Layar app onto your device and start scanning the images in the catalogue. We will add more additional content throughout the year, allowing our catalogue to evolve!
1-20 Number Beads

- Brightly coloured set of 80 number beads and 4 strings.
- 4 of each red, green, blue, yellow numbered 1-20.
- Beads measure 2.2cm square.
- Laces 52cm long.
- Beads are printed on one side to enable the teacher to hide a number for the child to identify.
- Perfect for reinforcing the new UK early learning goals for counting 1-20.
- Develops fine motor skills, maths and sorting & counting.

Reference: EA-8
Description: 1-20 Number Beads
Contents: 80 number beads and 4 strings
Age: 3+
Netting Number Crabs 1-20

- Fun filled netting game. Catch the number crabs with your net.
- Unique netting action develops gross motor skills.
- Ideal for sand and water play, or can be used on any flat surface.
- Suitable for up to 2 players.
- Develops hand eye co-ordination and number recognition.
- 20 friendly giant crabs and two large crab nets.
- Crabs measure 22cm across. Net measures 75cm long.
- Complete with a net bag for storage.
- Suitable for indoor or outdoor use.
