Monkey Maths

Just hang an equal number of colourful bananas from each of the monkey’s hands. If you’ve done your addition correctly, the monkey will look straight ahead and his arms will be level. If the numbers are not equal, his eyes will be crossed and his arms will be up and down. That means it’s time to try again!

- Includes monkey scales & fifteen banana number tokens.
- Develops simple maths skills (addition and subtraction).
- Also includes an instruction booklet showing how to make learning simple and fun.
- Brilliant for giving children confidence in addition and subtraction, in a great fun way!
- Age 4+.

Magnetic Match Rings

Magnetic Match Rings is a fun way to learn about magnetism and improve eye-hand coordination.

Each ring is magnetic, one side positive and the other negative. When you stack the rings on the pole, they either attract the next ring (snap together), or repel the next ring (push apart or cause it to float), creating a space in the stack.

- Comprises 10 brightly coloured magnetic rings, 40 activities on 20 pattern matching cards and 1 stand.
- Develops visual matching skills and problem solving.
- Teaches magnetic properties.

To Play: Select one of the 20 pattern matching cards and stack the magnetic rings in the exact same colour order as shown on the card.
